

2025/2026 SINGLE-YEAR GRANT

APPLICATION INFORMATION

Since 2008, the Fox Theatre has awarded over \$4.2 million in financial support for more than 109 individual projects at 61 historic theatres in Georgia. The Fox Theatre, through Fox Gives and its Community Partnerships department, is fortunate to reinvest a portion of our own profits in local theatres to increase their own success for economic and community development.

Throughout the grant cycle, Fox Gives manages its Single-Year Grants program through an online grant portal. Please find some helpful information about this process below.
