

IN DREAMS: ROY ORBISON IN CONCERT – THE HOLOGRAM TOUR

In 1988 the phenomenal Roy Orbison passed away, leaving behind a timeless legacy and a collection of beloved songs. Since then the only access to his otherworldly voice has been through his archive of iconic recordings.

Until now.

Introducing “*In Dreams*” – *Roy Orbison in Concert*, an extraordinary event that sees the man himself take to the stage via hologram, accompanied by a full live orchestra. As you watch Orbison sing his first notes into the microphone, you will thrill to the realization that you are part of rock and roll history – totally being rewritten.
